

It's time to sign up for **Gourmet Group!**

Experiment with your culinary interest by joining a Newcomers Gourmet Group. It's a wonderful way to meet new couples and try new cuisines. No need to be a whiz in the kitchen; our groups focus on having fun!

New foods and new friends – what could be better?

Here's how it works: Gourmet Groups meet four times a year, between September '09 and August '10. We pair you up with couples to form your gourmet group of about 3 to 4 couples. Take turns hosting each other for a dinner on a Friday or Saturday night. There is also a Ladies-Only-Group that meets on weeknights. Experiment with menus, recipes, techniques, and ingredients. If you have dietary restrictions or other concerns, please don't let that stop you from joining. In the summer of 2010, all gourmet groups will celebrate together with a big Gourmet Dinner Party.
